

Forms OnLine allows your organization to create and manage form overlays for use with laser printers attached to MEDITECH.

Complete Integration of Electronic Forms

Forms OnLine allows your organization to create and manage form overlays for use with laser printers attached to MEDITECH. Save your facility money by no longer purchasing pre-printed paper forms and expensive printer cartridges.

You can create forms utilizing our software, MEDITECH and Microsoft Office. Forms Online works with network / laser printers and term servers.

Examples of Forms OnLine in Use:

Here are some common examples of electronic forms that have been created using Forms OnLine at customer sites:

- Admissions Facesheets
- Wrist Labels
- Medicare Patient Information Handouts
- Consent Forms
- Physician Orders
- Progress Notes
- Patient Education Handouts
- AP & Payroll Checks
- Payroll Vouchers
- Bills
- Many more

Key Advantages Include:

- Print forms only as needed
- Replace expensive forms with standard paper
- Query-response triggered printing
- Automatic forms routing
- Automate production of forms (e.g. patient education forms)
- Print Code 128 barcodes
- Print Accounts Payable and payroll checks with security assurances
- Avoid missing forms / stock-outs
- Revise and instantly have new forms available
- Save office storage space by eliminating paper
