

QUICK ADDRESS SYSTEM (QAS)

Address Verification for MEDITECH Hospitals

QAS is the company responsible for the development of the **Quick Address System**, a system that assists companies across the globe virtually eliminates postage and labor costs associated with returned mail. In the healthcare market, QAS helps hospitals decrease AR days by getting bills and statements to the right place the first time. Iatric Systems has partnered with **QAS** to provide the **Quick Address System** to hospitals within the MEDITECH marketplace. The Iatric/QAS Interface provides direct integration with MEDITECH's Admissions module so that correct addresses can be obtained and verified at the point-of-service.

Key Benefits:

- ✓ Virtually Eliminate Returned Mail
- ✓ Reduce Postage Costs
- ✓ Reduce Time Staff Spend Researching Addresses
- ✓ Decrease AR Days

For a demonstration or more information on **QAS**, or any other Iatric Systems products or services, please contact us using the information below.
